

Women's Housing Caucus of South

Our Philosophy: Women and children are entitled to timely, safe, secure, appropriate and affordable housing; housing is a human right. In working to make this a reality The Women's Housing Caucus of South Australia will be action focused and committed to the principles of equity, equality non-discrimination and inclusion.

Objects

The Objects of The Women's Housing Caucus of South Australia shall be:

To identify, whether by research or otherwise, housing issues of special importance to women in South Australia:

NAME

ORGANISATION (if applicable)

To increase public awareness of women's housing issues in South Australia;

To facilitate public discussion of women's housing issues in South Australia;

ADDRESS

To maximise the extent to which government, industry, community and non-government bodies recognise and address women's particular housing issues through advice, advocacy, lobbying, research and other appropriate methods;

TELEPHONE

To facilitate the exchange of information and knowledge among people and organisations concerned about women's housing options and outcomes;

To work co-operatively with other women's networks and services at both state and national level to advocate for improved housing options and outcomes for women.

EMAIL

I/WE AGREE TO THE OBJECTIVES OF THE WOMEN'S HOUSING CAUCUS OF SOUTH AUSTRALIA

The Women's Housing Caucus of South Australia

Aims

To improve housing options and outcomes for women in South Australia by maintaining a focus on women's housing issues among policy makers, legislators, industry bodies and the general public and by advocating for change.

Membership

Membership shall be open to any person, or the representative of any organisation, interested in or involved in women's housing issues in South Australia who supports the aims and philosophy of The Women's Housing Caucus of South Australia. Organisations are entitled to identify a single representative only.
