Dear Minister Porter,

Shelter SA is the peak body for housing in South Australia. Earlier this month we wrote to you about the National Partnership Agreement on Homelessness, on behalf of our State and National members and supporters. We advised that we would be seeking signatories from other organisations, peak bodies and individuals as endorsement of our letter. I am pleased to provide that list to you now, demonstrating the extent of concern about the upcoming Federal election and the importance of the ongoing National Partnership Agreement on Homelessness. You will note that the signatories span a breadth of interest groups including young people, Aboriginal services, members of parliament, peak bodies, mental health, domestic violence, housing and homelessness from country and metropolitan areas. The signatories are as follows:

Common Ground Adelaide
Aboriginal Prisoners & Offenders Support Services (APOSS)
Australian Migrant Resource Centre
Catherine House
Community Centres SA Inc.
Dignity for Disability MLC, Hon Kelly Vincent
Generic Homelessness Services Network
Grandparents for Grandchildren SA
